## SHERPA HOUSE

### HON. ED PERLMUTTER

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 28, 2022

Mr. PERLMUTTER. Madam Speaker, I rise today to recognize the Sherpa House Restaurant and Cultural Center for winning the Golden Rotary's 2022 Ethics in Business Award.

Each year, the Golden Rotary Club awards one for-profit company and one non-profit organization for their outstanding ethical behavior and leadership. The community is asked to nominate organizations whom they think display the highest standards of ethical business practices, integrity, and civic and social responsibility. Winners are then chosen by students in an Ethics class at the Colorado School of Mines.

As a longtime, local restaurant and cultural center in the heart of Golden, the Sherpa House has a history of welcoming residents and customers from across the region to discover the wonders of the Himalayas and learn about the history and customs of Sherpas. This establishment has served as an exhibition of the vibrancy and depth of Sherpa and Nepalese culture since 2009. Despite being a small company, they contribute substantially to the Golden community and have been a true ethical beacon for businesses. It's clear the Sherpa House owners and staff care deeply for the Nepalese community in Colorado and in Nepal and want to share that vibrant culture with the community.

Congratulations to the Sherpa House Restaurant and Cultural Center on receiving this award from the Golden Rotary Club and I thank them for their ethical leadership and ongoing contributions to our community.

I am pleased to announce that Maximus Closson of Northwood, Ohio, has been offered an appointment to the United States Military Academy in West Point, New York.

Max's offer of appointment permits him to attend the United States Military Academy this fall with the incoming Class of 2026. Attending one of our nation's military academies not only

offers the opportunity to serve our country, but also guarantees a world-class education while undertaking one of the most challenging and rewarding experiences of their lives.

HONORING JEFF SIMERING ON RE-  
TIREMENT FROM THE COUNCIL  
OF THE GREAT CITY SCHOOLS

### HON. ROBERT C. "BOBBY" SCOTT

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 28, 2022

Mr. SCOTT of Virginia. Madam Speaker, last month, one of the most impactful and con-

sistent forces in urban education policy retired. Jeff Simering stepped down as the Director of Legislative Services for the Council of the Great City Schools, ending his fifth decade of working to improve schools in urban school districts. His impact on education, and especially those who have taught and learned in our urban schools, has been immeasurable.

Jeff had been with the Council since 1994, where he directed the federal legislative activities of the Council, worked with federal agencies, and advised member school districts on the implementation of national legislation. Prior to joining the Council, Jeff operated a consulting firm that aided school districts and worked directly for Chicago Public Schools. Jeff received his law degree from the University of Baltimore.

Jeff fought for urban schools to get the resources they needed for decades. While at Chicago Public Schools, Jeff worked with some of the legislative titans of the time—Sid Yates and Dan Rostenkowski—to ensure Chicago Public Schools had the resources to support its students and teachers and foster diversity. Throughout the 90s and beyond Jeff was one of the preeminent experts helping guide Congress on how best to target federal education funding to the school districts which needed it the most.

Jeff provided counsel to Members of the Education and Labor Committee for decades. His advice helped inform us on how to target resources and pursue reforms to strengthen schools. Most importantly his advice assisted us in producing more effective legislation. For instance, Jeff was instrumental in helping the Committee construct funding formulas that ensured school districts with concentrations of low-income children in rural, urban and suburban America received their fair share of resources.

Jeff fiercely represented his clients—urban schools and the children who attend them. And above all, Jeff knew how to help the Committee come to a bipartisan consensus on issues. For example, Jeff's assistance led to bipartisan agreement on multiple Elementary and Secondary Education Act reauthorizations, including the Improving America's Schools Act in 1994, the No Child Left Behind Act in 2001, and the Every Student Succeeds Act in 2015. His work also influenced the reauthorizations of the Individuals with Disabilities Education Act in 1997 and 2004, and the Career and Technical Education Act in 1998 and 2006.

Best wishes to Jeff on his retirement. His knowledge and approach will be missed. I hope in the coming months and years, he will be able to spend more time with his family, play tennis, and ride his Harley.

I thank him for all he has done to support our Nation's schools.
